## Colette

**Age:** 20

**Education:** Highschool diploma

**Hometown:** Lyon

**Family:** Single

**Occupations:** Engineering student

**Likes:** raccoons, tea, stand-up comedy

**Dislikes:** horror movies, coffee, winter

### Goals:

- To read more the next year
- To develop her soft-skills
- To eat less sugar

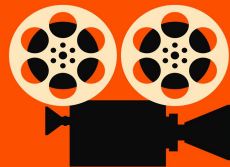

### Frustrations:

- Goodreads telling her she's "30 books behind schedule"
- A lot of stress at university
- Lack of motivation to do "boring" stuff and not watch youtube videos

Colette loves combining uncombinable stuff. That's how she, an English literature lover, ended up choosing an engineering degree. She's pretty tech literate and catches up easily the trends and new features of any app. Colette also loves to have a good laugh and most probably has a tiktok sound for any situation.
